

SEPT. 1999

**A Message From Your Friends At**

## **WATERMARK COMMUNITY CHURCH**

**Please join us for our first Saturday evening together. As we prepare for the beginning of our new church in the coming weeks we want to begin gathering together weekly for times of worship, encouragement from God's word, vision casting, relationship and team building and to provide a place to answer any questions that might still exist about this exciting new community of followers of Christ.**

**(We will even tell you why we are called Watermark)**

**This Saturday, Sept. 11<sup>th</sup> from 6:30-8pm**

**At**

**The Biblical Arts Center**

**(SW corner of Bodecker and Park just west of Northpark Mall)**

*This gathering, and all subsequent Saturday's are open to anyone who wishes to join us, however we remain sensitive about who and how individuals are invited...namely we do not want anyone to feel "recruited" to this new work who has not expressed interest, curiosity or a desire to join us, especially those already connected to a community of faith. As such, only those who have asked us to contact them by filling out a Gifted, Godly, Passioned information sheet are receiving this e-mail. If you desire to forward this e-mail to others please be sensitive as to how it may be perceived by those who will be receiving it. If you do forward it to those you believe want to know of our time together, please forward the message in its entirety.*

***Children are welcomed but no childcare will be provided***
