

Prayer Guidelines

1. Remember the ABCs. Keep your prayers:

Audible: speak so everyone can hear.

Brief: be considerate of the group – pray short/pray often.

Christ-Centered: praying scripture is a great way to do this.

2. Topics – Please try and keep the topic of your prayer to things close to our church body. We know God cares about everything and everyone, but this time is primarily devoted to praying for our church body. A great idea is to grab a couple copies of the Watermark News and spend time praying over each ministry listed. Or pray scripture (visit www.watermark.org/pray for a helpful prayer guide) for the body of Christ at Watermark Dallas, Watermark Fort Worth, and Watermark Plano.

3. Tongues – We all come from different backgrounds. If speaking in tongues is part of your regular practice, please refrain from doing so during this time. We seek to avoid confusion and edify one another as instructed in 1 Corinthians 14:1-12.

4. Time – We will close our prayer time as the service ends.
