

# TODD WAGNER

Todd Wagner and a small group of friends established **Watermark Community Church** in Dallas, Texas in November 1999. Watermark was born out of a desire to connect people with the richness, adventure, and fullness of life that comes through Christ alone and to reach the unchurched, de-churched, dead-churched, and unmoved. Todd serves as Senior Pastor and Elder at Watermark, which has become one of the largest and fastest-growing churches in the United States. Watermark is also home to **The Porch**, one of the largest ministries to young adults in the country, as well as the **Church Leaders Conference**, which exists to encourage and challenge other leaders and faith communities with God's vision for His Church.

Under Todd's leadership, Watermark has been recognized as one of the top two **"Best Places to Work"** in Dallas-Fort Worth by The Dallas Morning News for the past five years. Out of conviction, Watermark has operated debt free since its inception.

Todd's first published book, **Come and See: Everything You Ever Wanted in the One Place You Would Never Look**, was released in October 2017. He has been a keynote speaker at national and international leadership conferences and a guest contributor to The Dallas Morning News and other media outlets. His weekly video podcast, **"Real Truth Real Quick"** reaches tens of thousands of people each month.

Todd and his wife, Alex, alongside their six children and grandchild, love to live, laugh, and serve together in Dallas, Texas.
